St. Mary's School
for the Deaf
Brick Campaign

Order your brick today and walk with St. Mary's School for the Deaf into a very bright and successful future.

Where your brick will be located:

The walkway where your brick would be located leads to a statue of Abbe de L'Epee (who opened the first deaf school in Paris, France). This bronze monument is the work of Eugene A Hannon, a deaf sculptor who began his study of art at St. Mary's. Buying a brick along this walkway is a great way to commemorate an important piece of St. Mary's History.
