

**ST. MARY'S SCHOOL FOR THE DEAF  
STUDENT DAILY HEALTH SCREENING QUESTIONNAIRE**

The health and safety of our students is our primary concern. All parents/guardians are required to ensure their child/children are not experiencing any signs and symptoms of COVID-19 and do not have a fever of 100.0 degrees or more prior to attending school in-person.

The student may only attend school in-person if all of the following statements are true:

1. I took the temperature of the below named student, and that the student's temperature is less than 100.0° F.
2. Neither the student, nor anyone residing in the student's household, currently has or had ANY of the following COVID-19 symptoms within the last 14 days:

Fever of 100.0° F or greater	Muscle or body aches
Cough	Sore throat
Shortness of breath or difficulty breathing	New loss of taste or smell
Chills	Gastrointestinal symptoms (nausea, vomiting or diarrhea)
Headache	Congestion or runny nose

**\*Note:** Symptoms attributed to chronic conditions such as asthma and allergies or chronic gastrointestinal conditions may present the same symptoms as COVID-19 but are neither contagious nor pose a public health threat and are not considered symptoms of COVID-19.

3. The student has not tested positive for COVID-19 within the last 14 days.
4. The student has not had close contact within the last 14 days with any individual who is a confirmed or suspected COVID-19 case.
5. The student is not subject to any quarantine requirements related to out-of-state travel, as provided for in New York State Executive Order 205.2 and New York State's COVID-19 travel advisory (<https://coronavirus.health.ny.gov/covid-19-travel-advisory>).

I hereby certify that the above statements are ALL true. I also affirm that I must notify the school nurses if the student develops symptoms or if my answers to the questionnaire change at any time.
